

Checking equipment

Helmets:

Make sure that there is padding around the ear area.

No brakes/cracks around the ear area

Make sure the NOCSAE stamp is on the helmet (usually at the lower back)

No stickers unless from the manufacturer.

MAJOR BATS:

Wood bats do not need a logo

USA logo stamp

Not more than 33" in length; no more than 2 5/8" diameter.

No pine tar. No accessories as rubber end.

JUNIOR/SENIOR BATS:

Wood bats do not need a logo

USA logo stamp

BBCOR stamp

Not more than 34" long and 2 5/8 diameter

After all bats are laying out.....**take a picture** to insure that no bats are "snuck" into the dugout.

Catcher's equipment:

Check the helmet for ear coverage, no loose screws on the grate covering the face.

Must have dangling throat guard. Otherwise, remove from the dugout.
